RE: South Carolina Disconnection Report of Service Terminations
Docket No. 2006-193-EG

Dear Mrs. Boyd:

In accordance with the request of F. David Butler dated January 13, 2005, enclosed is Duke Energy Progress, Inc.'s South Carolina Disconnection Report of Service Terminations for the period of April 2015 through June 2015. The attached information contains the total number of customers whose services have been terminated, the daily number of customers' services that have been involuntarily terminated, the reasons (i.e. nonpayment of bill or deferred payment agreement and fraud or tampering), and the actual duration of service interruptions.

Please contact me if you have any questions.

Sincerely,

A handwritten signature in blue ink that reads "Heather Shirley Smith /KH". The signature is fluid and cursive, with the initials "KH" written in a more stylized, blocky font at the end.

Heather Shirley Smith

- 3) Reasons for involuntary terminations: customers were disconnected either for non-payment of electric bills or for conditions on the customer's side of the point of delivery deemed by Duke Energy Progress ("DEP") to be dangerous to life or property. Totals were as follows:

Reason	April	May	June
Non payment	1710	1484	1278
Hazard	26	20	22

- 4) Average duration of involuntary terminations:

0.67 days (based on instances in which DEP can confirm that the reconnect is in the same name and at the same premise as the disconnect)

- 5) Company procedures in effect governing involuntary terminations, including any procedures followed by the utilities to inform customers who faced termination of those regulations and programs which may offer those customers assistance in maintaining their service:
